Baby Died.—News was received
in this city last night of the death of
the infant daughter of Mr. and Mrs.
J. A. McAtee at their home in San Be-
nito, after a short illness. Rev. W. C.
Smith left this morning on the branch
to conduct the funeral services which
will take place in San Benito.

Waterways Convention.—The
Lower Rio Grande Valley Commer-
cial Club is planning a big demon-
stration at the waterways convention
to be held at Corpus Christi Nov. 18
and 19. A special car will be de-
corated and occupied by a delegation
representing the entire valley. Every-
body in the valley is urged to attend
and "make a noise" for this section.
All who can attend please drop a card
to the Lower Rio Grande Valley Com-
mercial club at Brownsville so that
ample accommodations can be made
for all.

Party of Prospectors.—A party of
eighteen prospectors from Colorado
was brought in Saturday night by
E. W. Rowson of the Indiana Co-op-
erative canal. Today the visitors
were taken in the large automobile
belonging to the company to its canal
where they spent the day looking
over the lands in that locality.

Special Spanish Classes will be
opened by Miss Esther Amayo, teach-
er of the Presbyterian school, under
following conditions: Private class,
one hour three times a week, \$10.00
per month. Class of six or more pu-
pils, \$5.00 per month. For further
information see Miss Amayo at the
"Opera chica" or at her home near
the "Globo Grande". 11-7-26

New Meat Market.—The meat mar-
ket of Bernstein and Oberle was
thrown open to the public for the first
time on last Saturday morning. This
market is quite an addition to the city
as it is their intention to carry at all
times every kind of meat that could
be desired. Another feature is that
they will be open for business the
whole of the day. The advertise-
ment of this enterprising firm appears
elsewhere in The Herald.

The Concert Saturday Night.—The
Seventh Regiment Cavalry Band of
Saltillo, Mexico, at the instigation of
Judge E. P. Forto, came over to
Brownsville last Saturday afternoon
and rendered a most delightful open
air concert near the ferry. This same
band gave another concert Saturday
night in the depot park, and which
was very largely attended. The band
left on the early train yesterday for
Houston to which place it goes to play
for the Carnival now in progress
there.

New Hotel.—The new San Carlos
hotel will throw its doors open to the
public tonight for the first time. At
present the hotel has forty rooms
but an addition is now under con-
struction which will give it over one
hundred rooms. Every room in the
hotel is an outside room with a
southern exposure and all are nicely
fitted up. There are baths and run-
ning water on each floor, the hotel
being thoroughly modern in every
respect. This hotel is under the able
management of Geo. S. Beard who is
an old experienced hotel man having
managed hotels in Kansas City, besides
the Seaside hotel at Corpus Christi,
the latter hotel being under his man-
agement for several years.
